### TAF@Saghalie Dress Code 2017-2018 Dressing For Success!!

The way you dress sends a very powerful message. Be certain the message you send is favorable. When you dress professionally it says that you want to be taken seriously and this equates with success. The way you dress, groom and put yourself together communicates a number of important things about you to those you interact with. The term “dress for success” means different things to everyone. For us at TAF@Saghalie we refer to the phrase as though you are going on an interview and want to make a great first impression. **Dress for success would be similar to how you would dress on Exhibition Night.** Below is a general guideline, if you have specific questions, please contact the main office at #253-945-5000.
